ABOUT ME

I am an experienced full-stack web developer proficient in a wide range of technologies and frameworks. With a strong foundation in front-end development using HTML, CSS, React ,Next and JavaScript, combined with expertise in back-end frameworks like Node.js, I create dynamic and user-friendly web applications. Detail-oriented and driven by challenges, I excel in problem-solving and delivering seamless user experiences. Continuously staying updated with the latest trends and technologies, I am dedicated to providing high-quality solutions that exceed client expectations.

EXPERIENCE

2021-Present   **FULL-STACK WEB DEVELOPER**
Developer - Creative It

- Promoted to a full-stack web developer position at Creative It Solutions, handling end-to-end development of web applications.
- Utilized a diverse tech stack including HTML, CSS, JavaScript, Node.js, Express, and databases like MongoDB to create scalable and efficient solutions.
- Actively contributed to code reviews, implemented performance optimizations, and continuously improved the development process to enhance project outcomes.

2020-2021   **JUNIOR WEB DEVELOPER**
Developer - Creative It

- Transitioned to a junior web developer role at Creative It, responsible for both front-end and back-end development tasks.
- Developed interactive and dynamic web applications using popular frameworks like React and Node.js.
- Collaborated closely with clients and design teams to understand project requirements, translating them into functional web solutions and delivering projects within set timelines.

2018-2020   **WEB DEVELOPMENT INTERN**
Developing My Skill - Creative It

- Joined Creative It Company as a web development intern and gained hands-on experience in front-end development.
- Worked collaboratively with the development team to implement responsive and visually appealing web designs using HTML, CSS, and JavaScript.
- Assisted in troubleshooting and debugging code issues, ensuring the smooth functioning of websites and optimizing user experiences.
